## Apple Poem:

### Favourite Apples at LMC

Michael likes Bramleys to make apple pie,  
But Cox is the one that Irene would buy.  
Nick thinks that Braeburn is tasty and best,  
But Liz thinks Pink Lady is more full of zest!  
Peter and Doll said all tasted great,  
But Tracey thought Gala the best on the plate.  
Maggie suggested we try them with cheese,  
Peanut butter and chocolate and pickle. Yes please!
